Dear Margaret F. Docker  
Editor-in-Chief  
Environmental Biology of Fishes

Dear Editor,

Would it be possible to obtain an update of the status of our submitted manuscript, and how many reviewers have accepted the reviewing task?

It is an important article for my doctoral defense and that is why I would like to request this attention.

The manuscript is entitled “Salinity-Driven Habitat Use of Marine-Estuarine Batoids in Amazon Coast” and its submission number is EBFI-S-24-00095.

Yours sincerely,

MSc. Ana Rita Nunes

Dear Dr. Nunes,

Thank you for your email.

My sincerest apologies for the delay in response. To update you with the status, we have received one report for your submission and currently awaiting for another reviewer to provide the report. As soon as the reports have been completed, the Editor will notify you of the decision.

Should you have any concerns, please let me know.

Best regards,

Sneezy Rosane
