Subject: Decision on submission to Parasitology International

Manuscript Number: **PARINT-D-26-00212R3**

A novel bi-triazole (4RJ) with potent dual-stage antiplasmodial and transmission-blocking activity against Plasmodium falciparum and Plasmodium vivax

Dear MSc Almeida,

Thank you for submitting your manuscript to Parasitology International.

I am pleased to inform you that your manuscript has been accepted for publication.

To view your reviewer feedback, please log in as an author at https://www.editorialmanager.com/parint/ and navigate to your manuscript in the "Submissions with a Decision" folder under the Author Main Menu.

Your accepted manuscript will now be transferred to our production department. We will create a proof which you will be asked to check, and you will also be asked to complete a number of online forms required for publication. If we need additional information from you during the production process, we will contact you directly.

We appreciate you submitting your manuscript to Parasitology International and hope you will consider us again for future submissions.

We encourage authors of original research papers to share the research objects – including raw data, methods, protocols, software, hardware and other outputs – associated with their paper. More information on how our open access Research Elements journals can help you do this is available at https://www.elsevier.com/authors/tools-and-resources/research-elements-journals?dgcid=ec_em_research_elements_email.

Kind regards,
David Bzik
Editor

Parasitology International
