Agroforestry systems and meliponiculture in western Pará, Brazil: contributions to conservation, income, and ecosystem services

Current status

Your revised submission has passed our technical checks

Your revised submission has passed the technical checks and is with the editor that will review before making a decision or send it for peer review.

The length of time this takes can depend on several factors, including finding the best peer reviewers for your submission.

Progress so far

1. Submission received
2. Technical check
3. Editorial assignment
