Help

Dear Dr. Everson dos Santos David,

We are delighted to inform you that your manuscript MVE-25-3437, titled "Abundance and species diversity of mosquitoes (Diptera, Culicidae) in endemic areas for arboviruses in the Eastern Amazon, Brazil", has been accepted for publication in Medical and Veterinary Entomology.

You can find reviewer comments at the bottom of this email, if applicable.

What happens now?

We will now check that all of your files are complete before passing them to our production team for processing. We will let you know soon if we require any further information.

Once the manuscript has been sent to production, Wiley will email the corresponding author with information about:

- Signing the license
- Paying any applicable article publication charges (APCs)
- Reviewing manuscript proofs

To learn more, read Wiley's publication guide for authors.

If your submission contains supporting information, please read Wiley's supporting information FAQs. Supporting information is not copyedited, checked, or changed from its original format. If you notice an error, please get in
